GREEN FEE & CART RENTAL DISCOUNT PLAN

Buena, NJ • 856-697-3733 • www.allforeclub.com

- **THANK YOU** for considering a GFCRD Plan at Buena Vista C.C.
- Plan choices at BVCC are *Simple* and *Straightforward*!! Purchase early, save, and avoid the Green Fee when you play golf.
- You can choose between a 5-Day or a 7-Day plan. If you like to play golf as much as we do, then you will likely want to consider adding a cart rental option.
- A popular plan back for the 2018 Golf Season is the *Performance Plan*. Throughout the year, the golf shop publishes the cost for a green fee and cart rental, otherwise known as a Ride 'n Play fee. This fee changes throughout the day and the time of year. If you choose to become a Performance Planholder, you will be guaranteed not to pay more than 50% of the published Open Ride 'n Play fee. For example, if the cost to play golf with a cart at Open is \$39, your fee as a Performance Planholder would be \$19.50 and it would not be more than that for the entirety of that day. If the cost, due to a promotional offer or tiered pricing, is lower than \$19.50, in this example, then you would only be required to pay that lower fee. This plan is suited for the golfer who doesn't have the time to commit to a heavier golf play schedule, but enjoys playing somewhat frequently.
- BVCC also has a plan for the Junior Golfer that needs a low cost option while learning the game. Additionally, the parent, guardian or close relative of the Junior golfer is considered a "Performance" Planholder while playing golf w/ the Junior Planholder.
- BVCC offers the USGA GHIN Handicap Computation Service. Each of the GFCRD Plans, except the Performance Plan, includes this service. The Active Season in NJ is from April 1 through November 15, each year. Shortly before the beginning of the

*The Performance Plan is a 12-month plan which commences on 10/1/17 and expires 9/30/18

2018 Active Season, the Handicap Computation Applications will be made available.

- Although a GFCRD Plan Term runs from 3/1/18 to 2/28/19*, you can begin playing golf as a Planholder as soon as we receive your completed application and payment.
- Buena Vista has practice facilities that can help you improve your game. Both the grass driving range and large practice putting green are accessible, but sometimes you might be better off with a golf lesson or two.
- Lessons from a PGA professional, either a one-off or a series can easily be scheduled in the Golf Shop.
- While at BVCC, you can enjoy the complete food and beverage amenities. In "The Bunker", our sports bar, there is plenty on the menu, either before your round, during or after; breakfast, lunch or dinner. Out on the course, you can stop by the Halfway House at the 10th tee, and out roving about, the courtesy cart will be bringing that needed beverage and/or snack.
- If you find yourself in the position of coordinating a Golf Outing/Tournament, small or large, Buena Vista has you covered with Complete Banquet & Catering facilities.
- If you act quickly, you can take advantage of some Early Bird specials. If you choose either of the Individual Plans or the Performance Plan, with or without the cart rental option, you can **deduct 15%** from the purchase price if the purchase is made by **10/20/17**. If you miss that date, make your purchase by **12/15/17**, and **deduct 5%**.

- On the following page is the Downloadable Application Form. We have squeezed quite a bit of information on this single page. If you would prefer, there exists an Application Form in a more Brochure-like format available at the club. Please contact the Golf Shop and request one.
- We certainly would welcome your visit to the club, so please consider stopping by if you have questions or would like to purchase in person.
- If you choose to use the Downloadable Application Form, it is very simple, and the Easy Instructions are right at the top so you won't miss it.
- Although it may look complicated to determine what the cost will be, it really isn't. There are only a couple of things that you need to know: First, decide which plan you want, 5-Day, 7-Day, Junior or Performance. If you choose the 5-Day or 7-Day plan, and believe that you are going to play enough golf to pre-pay your cart rentals for the entire term, then add the cost of the Cart Rental Option. That's really all there is to it.
- Of course, as we've already told you, there are still more savings to be had. Yet, that depends on when you purchase. If you are eligible to take advantage of Early Bird pricing, take your calculated cost and apply the appropriate deductions.
- All applicable taxes will be charged. The NJ Sales Tax applies to golf cart rentals. All required sales tax has been included in the GFCRD Plan fees.
- If you are contemplating a Cart Rental Option, the following should help you make an educated guess as to how much you may pay for cart rentals throughout the year, if you pay as you go.
