Buena Vista Country Club offers one of South Jersey's most formidable 18-hole golf courses and presents a challenge to golfers of all abilities. This well manicured facility is a wonderful venue for your Golf Outing !!

With nearly 60 years of hosting golf events, BVCC knows the challenges involved with coordinating a well-run, successful golf tournament/outing. One of the most daunting decisions a chairperson needs to face is establishing the Entry Fee. The success of your event may very well hinge on this determination. The secret is posting an attractive price while ensuring your guests/participants' satisfaction, enjoyment and value.

Buena Vista recognizes that the solution starts with the golf facility. It is our goal to provide top notch services to your organization; and we plan on doing it at an exceedingly reasonable rate. The Premiere Golf Outing "AM" Menu includes a Shotgun Start, a Registration Desk for your event committee, (2) Golf Carts for your volunteers, and for the participants, Breakfast, Green Fee & Powered Cart Rental, and Awards Banquet Dinner.

And if that isn't enough...To help get your prize pool off and running, your BVCC event automatically includes twelve (12) Complimentary Green Fee Certificates† to be issued to the lucky prize winners during your Awards Banquet Dinner.

The Golf Shop Staff at Buena Vista is prepared and delighted to host your event. And although we understand that the primary purpose of a Golf Outing is to play golf, did you know that there are many activities and special touches that can be added to your golf event to increase participation and the overall degree of "just-plain-fun" that you and your guests will experience ?

The following lists many of the services and amenities that Buena Vista Country Club can provide. Our Tournament/Outing Director is here to assist you with the proper planning for your event. Making the day a success is a key component to the longevity of your Golf Tournament/Outing!

Golf Facilities present different pricing throughout the year depending on the season. While it may be easy and simple to provide just one price to our golf outing customers, at Buena Vista, we prefer a somewhat more detailed presentation, providing pricing that is more representative of reality. Most golfers know, it is less expensive to play during the week, in the Spring or Fall than on the weekends, in the Summer !!

The following chart specifies the cost of the Premiere Golf Outing "AM" Menu when the Actual Golfer Count is 100 or more. As most event planners aspire to achieving a full field of 144 golfers, this minimum of 100 golfers provides for some leeway to ensure that you are rewarded with the best pricing.

However, if the Actual Golfer Count falls short of 100, BVCC has very good pricing alternatives. Starting with the appropriate price from the chart below, at 40 golfers, your event will only cost an additional \$3. If your group is a little larger, as large as 72 golfers, the cost will rise \$2. If your group has 88 or more golfers, the cost is only \$1 more.

When it's time for your Awards Banquet, BVCC is there to get you started with complimentary green fee certificates[†]. With 120 golfers or more, you will receive twelve (12). Not able to make that happen, BVCC will provide you with four (4) as long as your group has at least 40 golfers. And if your group size is somewhere in between, BVCC will provide you with a commensurate quantity of certificates.
